# PRODUCT UPDATES

Newsletter - 26/11/2018

Dear Partners,

We are glad to inform you about the following product news and new technical updates:

- a) **New Crown Prep Tips – vertical preparation**
- b) **Inserts Setting Adjustment**
- c) **New pack for Subgingival perio tips and Starjet nozzle**

## a) New Crown Prep Tips – vertical preparation

Mectron, in collaboration with Dr. Domenico Baldi, developed 4 new different crown prep tips for the existing tip holders (available for Piezosurgery® devices and ultrasound units). These tips are created for the vertical preparation technique of the cervical margin. For more info, watch the dedicated flyer through the link:
